## **SERVICE ANIMAL / EMOTIONAL SUPPORT ANIMAL APPLICATION**

This application is provided to assist in a reasonable accommodation request for yourself, a member of your household, or a guest on the premises who is a person with a disability requesting approval for an animal. HUD encourages applicants to complete applications in order to avoid miscommunication and the questions are designed to help you provide the Association with the information needed to review your request. For additional information, please visit:

<https://www.hud.gov/sites/dfiles/PA/documents/HUDAsstAnimalNC1-28-2020.pdf>

This application is comprised of several sections and helpful forms:

1. **Emotional Support Animal (ESA) and Service Animal Documentation Requirements**
2. **Applicant's Information**
3. **Animal Information, License, & Health Certificate**
4. **Policies and Procedures for Maintaining a Service Animal / Emotional Support Animal**
5. **Reasonable Accommodation Policy**
6. **Statement of Qualifying Health Professional**
7. **Patient's Consent for Healthcare Provider's Release of Information**

If the Association determines that your need for a service dog is readily apparent, you will only be requested to submit current animal license and health certificate records to the Association. Review Sections 4 and 5 for Rules, Policies, and Procedures and note that failure to comply with the rules may result in a withdrawing of your animal's approval.

If you are applying for an emotional support animal, or if your need for the service animal is not apparent to the Association, in addition to animal health and license information, please submit additional information to support your request. The attached form entitled "Statement of Qualifying Health Professional" can assist you with providing the necessary information for review of your application.

**POLICIES AND PROCEDURES FOR MAINTAINING A SERVICE  
ANIMAL / EMOTIONAL SUPPORT ANIMAL**

If your request for a reasonable accommodation is granted, the Association reserves the right, pursuant to Florida Law, to withdraw this approval at any time should the service animal or emotional support animal become a nuisance to others, which includes, but is not limited to: barking, biting, aggressive behavior, attacking, owner's failure to properly dispose of excrement or waste, failure to comply with all state and local ordinance and statutes, not maintaining the animal on a leash at all times when outside of the unit, insect/extermination issues and/or sanitation/odor problems.

Additionally, the approval of the animal may be withdrawn if the requesting party is no longer disabled. Further, the applicant/owner is required to provide updated medical information concerning his/her disability (if such disability is not permanent), current and annual vaccination records, immunization and Veterinarian records for the animal, all certifications or trainings the animal possesses, as required by the Board of Directors.

Failure to comply with any of these requirements shall be grounds to withdraw the approval of the animal. Owner is solely responsible for any and all damages caused by the animal, whether to person or property.

All information received by the Association in conjunction with a disabled Owner's or Resident's request for reasonable accommodation will be kept confidential in compliance with Florida Statute.

### **REASONABLE ACCOMMODATION POLICY**

Please be advised that this Association has strict rules regarding animals and pets within the community, and the Association is required by law to enforce these rules. Many people chose to move into this community because they have allergies or other health issues related to animals. Therefore, anyone requesting a service or companion animal must follow the application and approval process set forth herein.

You have indicated that you, or a member of your household, need a reasonable accommodation because of a disability/handicap in connection with a Unit located at Hamlet at Poinciana Condominium Association, Inc. In order to protect the health and safety of all residents in our community, it is the responsibility of the Association to obtain the necessary information to evaluate the requested accommodation to the current policies and rules.

If an individual's disability/handicap is obvious and if the request for accommodation is also apparent, the Association will not request any additional information about the requester's disability/handicap or the related need for the requested accommodation. If an individual's disability/handicap is not obvious, after reviewing the submitted request form, the Association may request reliable information that is necessary to verify that the requester has a physical or mental impairment that substantially limits one or more major life activities.

Please take this policy and the attached Authorization for Release of Information to your healthcare provider or other appropriate individual, clinic or agency so that a professional with expertise in the area of the proposed disability and who has personal knowledge of the proposed disability, may provide verification of the disability through the use of the Association's forms.

To the extent a disability/handicap is not permanent, the Association may periodically request additional or updated medical information as it deems necessary, to determine if there is a continued need for the requested accommodation. The Association may also request updated vaccination records and certificates, as applicable.

**Please be aware that some disabilities may be temporary and resolve in time. When that is the case, YOU WILL BE REQUIRED TO REMOVE THE ANIMAL FROM THE HOME after periodic renewal and finding that the disability no longer exists.**

Additionally, since an individual's need for an accommodation may change over time as a result of changes in the individual's own level of disability/handicap or impairment, treatments, and/or other circumstances affecting the individual, it is your responsibility to notify the Association if you need, or no longer need, a reasonable accommodation. Please note that owners are not permitted to have more than one support animal, unless the distinction of separate needs for each animal has been established. A separate form is required for each animal.

December 20<sup>th</sup>, 2021

To whom it may concern,

Beverly Buncher, is a patient of my clinical psychology practice in Plantation, Florida where she and her husband attend couples therapy. I am writing this letter at the request of Mrs. Buncher and with her permission. Mrs. Buncher suffers mental distress due to her experiences with trauma that impair her ability to function effectively and cause her daily distress. Her diagnosis and how these symptoms have been managed are discussed more specifically below.

Mrs. Buncher suffers from anxiety that makes it difficult for her to concentrate and attend to her business as a successful life coach. Fortunately, her dog Hercules, a 15lbs Mini Poodle, ameliorates these symptoms by providing affection, comfort and emotional support. The dog's soothing presence helps to lessen or eliminate Mrs. Buncher's anxiety which allows her to concentrate, and therefore enables her to complete her work. In my professional opinion, Mrs. Buncher, requires the ability to live with her dog as an emotional support animal in order to relieve the symptoms of her anxiety. There is no medication that would provide the same therapeutic benefit.

While the details of Mrs. Buncher's treatment are confidential, I would be happy to attempt to answer specific questions you may have concerning the basis of my opinion that Beverly Buncher requires the ability to reside with Hercules, her emotional support animal, provided such questions do not require the disclosure of privileged information. Please be in touch if further information is desired (954) 707-9391 or jamescampbellpsyd@gmail.com.

Sincerely,
